

Archbishop learns from a Millennial

In *Amoris Laetitia (The Joy of Love)*, Pope Francis presents us with three pastoral imperatives concerning human life and the family: we are called to accompany, to discern, and to integrate weakness.

A new video series called *Love Unscripted* is about listening that we might understand, and understanding that we learn how to address the real, day-to-day concerns of the faithful through the Gospel message.

Join Archbishop Richard Smith as he meets a variety of young adults and explores the many ways that together we can live in the Word of God.
