

Christ gained victory over a far more destructive virus

The COVID-19 virus has disrupted almost every aspect of our daily lives, including our celebration of Holy Week. However, Sr. Marie Therese Langer tells us there is a far more destructive 'virus' in all of us, the virus that our Lord conquered when He surrendered Himself to drink our cup of sin. Sr. Marie Therese is part of The Congregation of the Sisters of Merciful Jesus, located in Maskwacis, Alberta.
