

# **Easter offers all of us a message of extraordinary hope**

"The Lord is Risen!" is the acclamation of all Christians at Easter.

Edmonton Archbishop Richard Smith said there's a risk of taking for granted the message of extraordinary, sure hope that is contained in those words.

Over the past year as we deal with the COVID-19 pandemic, we're looking for signs of hope. However, nothing can compare to the explosive potential in those words "The Lord is Risen". All that Christ asks of us is that we have faith in Him and the untold power of his love.
