

Lumberjack Games & REAL Prayer

How can you tell if you're praying the right way? In this vlog Fr. Kris Schmidt explores the world of Lumberjack games to illustrate the fact that our prayer, on order to be real, needs to be fruitful. Lumberjack games are there so Lumberjacks can stay sharp in while working, likewise our prayer life needs to be pushed in order for us to see real progress in our Christian life. He explains it all in this week's 'Beggar's Heart' vlog.
