

'Embrace the chaos' of World Youth Day

Embrace the chaos! Archbishop Richard Smith blessed pilgrims heading to Panama for World Youth Day 2019.

For those who can't travel, **World Youth Day At Home** takes place at St. Theresa Parish on Jan. 26.

This alternative WYD event is a celebration of our faith and the daily pilgrimage of the whole church, especially the church in Alberta. World Youth Day At Home will include a special speaker – Colm Leyne, the youth ministry coordinator for the Diocese of Saskatoon – highlights from World Youth Day attendees, an evening Mass, dinner, and a social.
